*Joy carrying her new durable bag, a mathematical set, new socks and shoes*

2e familie

*Wycliffe Owiti helping the mother with house work*

*Wycliffe Owiti seated next to his mother who is sick, he is holding his new text book which has all subjects in one revision series. He is also wearing his new shoes and socks.*

3e familie

*The traditional homestead where Susan and Lilian are living*

It was so good to participate in another home visit and to be with the children and their guardians in their homes, thanks a lot for making this happen.
